

God Talk At Home

This Week's Kingdom Quest Lesson:

Spiritual Warfare

Take Home Point:

I belong to Jesus. Satan, take a hike.

Drive Time Home

Tickler Question: Tell me about the craft you made today. *(The paper plate is a circle that represents the conquered ground we stand in because of Jesus. The pictures or words are ways Satan tries to trick us. The cross painted in red shows how Jesus defeated Satan through his death and resurrection. We can now stand boldly with Jesus and resist Satan.)*

God Time at Home

Select questions and adapt for your family.

FOR STARTERS: Take a glass of water and sprinkle pepper on top of the water. Dip a toothpick in some liquid soap and place it in the middle of the glass. Watch the pepper scoot to the side. Ask the kids if they know how the pepper is like Satan and the toothpick with soap on it is like us when we use God's Word.

READ THE BIBLE: 1 Peter 5:8, Luke 10:18-19, Hebrews 2:14, John 16:33

KEY VERSE: James 4:7b, *"Resist the devil, and he will run away from you."*

TALK ABOUT IT: What does the enemy, Satan, want to do to us? *(Devour or destroy us.)* What has Jesus given us to overcome the power of the enemy? *(Authority.)* Our authority lies in the name of Jesus. He defeated Satan with his death and resurrection. When we believe this, we stand on conquered ground covered with the blood of Jesus. When tempted to do something wrong, what can we do? *(Stand boldly and tell Satan, "I belong to Jesus. Satan, take a hike!")*

PRAYER POWER: Talk about spiritual battles, areas your child may struggle with, temptations or fears. Pray for confidence in standing on conquered ground and resisting Satan.

Family Time Option

One day this week, try...

If you are passing out candy to trick-or-treaters this Halloween, pray silently for every person who comes to your door. Give them a special Christian track along with candy. If these are not available from your church, you can order some by contacting American Tract Society (www.atstracts.org or 800-548-7228) or Concordia Tract Society (www.cph.org or 800-325-3040), or make your own cards.

Some people decorate their homes for Halloween. You can paint on your windows using water-based poster paints. (Add a bit of liquid soap to help the paint stick to the window and wash off easier.) What picture or message could you paint to show that you belong to Jesus and that Satan has no power against him?
