

God Talk At Home

This Week's Kingdom Quest Lesson:

King of Righteousness

Take Home Point:

Jesus is the King of right and wrong.

Drive Time Home

Tickler Question: How did you use the "Jesus stick" in small group? *(It was used to wipe our sins off the table.)* How was this like the Bible event? *(Jesus turned over the tables of the sellers and moneychangers in his temple.)*

God Time at Home

Select questions and adapt for your family.

FOR STARTERS: Make two batches of milk shakes or some other type of drink. Make one batch with healthy, tasty ingredients. Make the other from table and garbage scraps. It would be absurd to consider eating a garbage cocktail. We wouldn't put garbage in our stomach! But would we put garbage in our minds and thoughts? How could watching certain TV shows or movies do that?

READ THE BIBLE: Matthew 21:12-13

KEY VERSE: 1 Corinthians 3:16: *"Don't you know that you are God's temple and that God's Spirit lives in you?"*

TALK ABOUT IT: What did Jesus see when he went into the temple that caused him to be sad and angry? *(Matthew 21:12. Jesus saw people buying and selling things.)* Why did this make him angry? *(They were overcharging and cheating people.)* What did Jesus want the temple changed into? *(Matthew 21:13. He wanted it to be a house of prayer.)*

Jesus wants to clean us up too. He wants us also to be a house of prayer. How do we prepare ourselves or clean ourselves up? *(By true repentance, not just saying we are sorry but actually changing things in our lives we clean ourselves up. The Spirit gives us the power to clean up and receive the sacrifice that Jesus made for us.)*

PRAYER POWER: Pray to really understand how our bodies are temples of God and how we should be holy. Thank the Lord that he gives us the Holy Spirit who lives in us and makes us uncomfortable when we defile his temple.

Family Time Option

One day this week, try...

Many people will give up something for the season of Lent. Consider giving up television for a certain period of time and playing table games instead.
