## **PRAYER POWER:**

Bless your child through prayer. Lay your hands on him and thank God for the many ways he has made your child special. Name specific things such as a bright smile, a joyful attitude, a loving heart, or an abundance of energy.

## **FAMILY TIME OPTIONS:**

Let your children know how glad you are God created them. Take them somewhere special for some one-on-one time. For example, go out for ice cream, go to the park, or go for a hike in the woods. Be sure to tell your child that you are thankful God has blessed you with him.
