

God Talk at Home

Ages 4-5-K

This Week's Lesson:
The Faith of the Captain

Take Home Point:
(Parents Say) When I am worried
(Kids Say) I trust Jesus.

DRIVE TIME HOME

PARENTS, ASK ME WHAT I DID TODAY IN
KINGDOM QUEST.

- Acted out the story "The Faith of the Captain" and learned that we can trust Jesus with our worries.
- Made and ate a "Captain's Snack" to help review the Bible event and learn that when we trust Jesus with our worries, it is like we are spearing them and giving them to Jesus.
- Played a game, "Captain Says," and learned that faith is trusting or believing what we cannot see.

DRIVE TIME HOME

PARENTS, ASK ME WHAT I DID TODAY IN
KIDS CHURCH.

- Had a visit from "The Captain."
- He told us about Jesus healing his servant.
- Ate pudding with a cross on top. Then we crushed cookies and gave our "worry crumbs" to Jesus.
- Played "Captain, May I?"

FAMILY DEVOTIONS: Read the Bible Event or Bible Verse

The Faith of the Captain from an early reading Bible or read and summarize the event from Luke 7:1-10.

JESUS LINK: I place my trust in Jesus because he sees all things.

TALK ABOUT IT:

- With what worry did the captain trust Jesus?
- What do you worry about?
- Why can you trust Jesus with your worries?

PRAYER POWER:

Tell Jesus something that worries you and ask him to help you trust him with that worry. Thank him for showing you his love by dying on the cross and taking away your greatest worry—sin.

FAMILY TIME OPTIONS:

Make a large poster board cross. Every time your child has a worry, have him or her draw a small picture of it or write it on a slip of paper. Say a prayer asking Jesus for his help in trusting him with that worry. Then tape the worry to the cross as a reminder that the worry now belongs to Jesus.
