

God Talk at Home

Ages 4-5-K

This Week's Lesson:

Jesus Walks on Water

Take Home Point:

(Parents Say) When I am scared,

(Kids Say) I tell Jesus.

DRIVE TIME HOME

PARENTS, ASK ME WHAT I DID TODAY IN
KINGDOM QUEST.

- Helped a storyteller tell the story of Jesus walking on water.
- Made and ate a "Walking on Water Cookie" while reviewing the Bible event.
- Had a "Cotton Ball Relay" to reinforce the teaching that when we are afraid, we can call out to Jesus in prayer, just as Peter called out to him in the Bible event.

DRIVE TIME HOME

PARENTS, ASK ME WHAT I DID TODAY IN
KIDS CHURCH.

- Listened to "Peter" tell when Jesus walked on water.
- Ate blue jello and had a Teddy Graham represent "walking on water."
- Reenacted the Bible event with a box as our boat.

FAMILY DEVOTIONS: Read the Bible Event or Bible Verse

Jesus Walks on Water from an early reading Bible or read and summarize the event from Matthew 14:22-33.

JESUS LINK: I will tell Jesus my problems because he knows and loves me.

TALK ABOUT IT:

- What did Peter do when he was afraid?
- What scares you?
- When you are afraid, you can call out to Jesus in prayer and he will help you, just as he has already helped you through his death on the cross.

PRAYER POWER:

Tell Jesus your fears and ask him to help you.

FAMILY TIME OPTIONS:

One of the greatest times of fear for young children is in the dark of the night. Make a prayer pillow for your child. Trace her hands with fabric markers on a pillowcase and then let her decorate the pillowcase with bright markers as a reminder to take her fears and all other problems to Jesus in prayer because he loves her and cares about her fears.
