

SUPPLY LIST

Winter - Year 2

Kids Kount Publishing recommends using a wide variety of resources with our lessons. This supply list is a guide. Our curriculum is meant to be adaptable, and this includes your selection of supplies. Feel free to substitute videos and crafts similar to the ones suggested. Check for items you may have on hand and adapt as needed. You may be able to use videos from your city library, video rental store, and members of your congregation or other churches.

If you are comfortable ordering over the Internet, new and used sources are available for videos and supplies at various prices.

Your ideas are a major resource in making this curriculum work for your children's ministry. You can help others by emailing your suggestions to info@kidskountpublishing.com.

Safety and Security: Safety and security procedures are important for each church to carefully define and implement according to their unique needs. The security, safety, illness and accident procedures described in this curriculum are provided for example purposes only and may not be appropriate, applicable or adequate for every situation. Each church is responsible for determining whether any security, safety, illness and accident procedures contained in the curriculum are appropriate, applicable or adequate for its unique situation. The activities described in this curriculum require adult supervision and may not be suitable for each child and each situation. Each church is responsible for ensuring that adequate adult supervision is provided for all activities and for determining whether an activity is appropriate for each child and each situation. Kids Kount Publishing disclaims all liability for the implementation of any procedures or the performance of any activities described in this curriculum.
