Mary Stevenson's Footprints in the sand written in 1936 © U.S. Copyright 1984

One night I dreamed I was walking
Along the beach with the Lord.

Many scenes from my life flashed across the sky.
In each scene I noticed footprints in the sand.
Sometimes there were two sets of footprints.
Other times there were one set of footprints.

This bothered me because I noticed that
During the low periods of my life when I was
Suffering from anguish, sorrow, or defeat,
I could see only one set of footprints,
So I said to the Lord, "You promised me,
Lord, that if I followed You,
You would walk with me always.

But I noticed that during the most trying periods
Of my life there have only been
One set of prints in the sand.

Why, When I have needed You most,
You have not been there for me?"

The Lord replied,
"The times when you have seen only one set of footprints Is
when I carried you."

LIFE CAN BE HARD

Feel The Heat
All About.
So I Trust In The
Lord,
And Good Things
Pop Out!

LIFE CAN BE HARD

All About.
So I Trust In The
Lord,
And Good Things
Pop Out!

Lesson 9 – Glasses Template

1. Set the bowl of chocolate in front of you.
2. Set the bowl of cereal in front of you.
3. Dip marshmallows one at a time into the chocolate and then into the cereal.
4. **Do NOT share this snack with anyone. If anyone tries to take it from you, you must NOT let him or her have it. You may NOT tell them they can have it later, either.**
5. Make two marshmallow snacks and eat them while the others are discussing.
