# Small Group Warm-Up: 15 minutes

**Purpose:** *Get pointed in the right direction!* Build relationships and help guests feel at ease. Do the learning readiness activity that will point your group in the right direction for the lesson.

*Supplies:* A broken toy from home, appendix page: “I feel broken when...” for each child (it will be used for the craft project during application time), pens, pencils, markers

Show broken toy and say:

**What toy from home broke and you felt disappointed or sad?**

Encourage all kids to talk about something they had that broke and left them feeling disappointed or sad.

**Has anyone ever had a broken arm or broken bone?**

**Have any of you ever felt broken on the inside? Maybe someone said or did something mean to you. Maybe someone close to you left you or even died. Or, maybe you felt broken when you did something bad.**

Let kids discuss a time they felt broken on the inside.

Pass out paper from appendix.

**The top of this page says, “I feel broken when...” Write down or draw some of those times when your life felt broken. It might have been when you had hurt feelings, or your favorite pet died, or someone was sick. Or, maybe you did something you wish you hadn’t done.**

After kids have written or drawn on their page, say:

**Today we will be amazed at how Jesus heals broken lives. The Bible tells us to go to Jesus with our troubles and that includes when we feel broken. He has the power to help us because he is God’s Son. In today’s Bible event, we will discover *\*Jesus is God’s Son—Jesus heals broken lives.***

# Large Group Overview: 20-30 minutes

**Purpose:** *Help kids observe what the Bible says. Present the Bible event in creative fashion. Help kids begin to interpret what it means.*

**Puppet Presentation:** “Gordy Goes for Broke”—Gordy wants to get back at his sister but ends up feeling twice as bad.

**Video:** The Bible event from John 5:1-47 is presented from the video, *The Gospel of John*, by Visual Bible International, 2003.

## Signs Along Believers’ Highway

**Puppet Conclusion:** “Gordy Goes for Broke”—Gordy learns that because Jesus is God’s Son, he has the power to heal us inside and out.

# Small Group Application: 20-25 minutes

**Purpose:** *Help kids map out the meaning of the Bible event in their lives. Use the questions to stimulate discussion but don't feel tied to them. Allow the Holy Spirit to guide you. Include personal examples from your own faith journey. The example of Christ at work in your life will leave lasting impressions of how Christ can work in the children's lives.*

*Use your Bibles! Children need to learn how to look up references and follow along when scripture is read aloud. Allow for quality time of prayer at the close of the lesson.*

## Observation Questions: What happened?

Have kids refer to John 5:1-15 in their Bibles.

**Jesus went to a pool at Bethesda where a large number of sick people would lie. Some manuscripts and translations of the Bible add, “They would wait for the water to move. People believed that at a certain time an angel from the Lord would go into the pool and stir up the water. The first person who would step into the water after it was stirred up would be cured from whatever disease he had.” Jesus asked one man if he wanted to get well. What did Jesus know about this man? (John 5:6. That he had been sick for a long time.)**

**How long had this man been sick? (John 5:5. 38 years.)**

**What did the man think he needed to be healed?** *(John 5:7. He thought he had to get into the water when it was stirred, but there was no one to help him get in.)*

**What did Jesus do to heal this man?** *(John 5:8. He told the man to get up, pick up his cot, and walk.)*

**How long did it take for the man to be healed after Jesus spoke?** *(John 5:9. Immediately.)*

### **Interpretation Questions: What does this mean?**

**How do you think it made the man feel that Jesus had picked him to heal?** *(Take any answer. May include that the man felt special, worth something to Jesus, or, even a little afraid.)*

**What did the man have to do to be healed?** *(He had to trust and obey Jesus and do what he commanded.)*

**Why do you think Jesus picked this man to heal from all of the other hurting people?** *(Maybe because Jesus felt sorry that the man had no one to help him. Maybe Jesus knew he was broken inside and didn't have much hope. Maybe to show the power he had to heal since the man had been lame for so long.)*

Read Isaiah 53:5.

**How was Jesus “wounded for our rebellious acts and crushed for our sins”?** *(He died on the cross to take the punishment for our sins and rebellion.)*

**How do we receive peace and healing from his wounds?** *(His Spirit comes to us and heals us on the inside when we accept Jesus as our Savior. We can believe and trust in his promises for our lives now and have hope for eternal life.)*

### **Application Questions: What does this mean to me?**

Look at your paper again from small group warm-up. You wrote some words on it or drew some pictures that described ways we sometimes feel broken. Can you think of any other examples of times you have felt broken? If you can, write or draw them on this page.

When kids are finished, continue with:

**Think about what it must have felt like for that man who had been unable to walk for 38 years. What do you think he felt like while he was just lying there? (*Discouraged, sad, angry, depressed.*)**

**How would you compare your feelings of brokenness to his?**

**How do you think he felt after Jesus healed his brokenness? (*Happy, like dancing, excited.*)**

**How do you think Jesus felt to see him healed? (*Happy and excited, too.*)**

**Today we saw how *\*Jesus is God's Son and Jesus heals broken lives*. He heals our lives when we come to him and ask. When we pray to him, he hears us and gives us just what we need. But he even knows how we hurt before we ask him, just like he knew the man had been sick for a long time. How do you think it feels to experience Jesus healing our brokenness? (*Happy and excited like the man.*)**

**You each will make a picture of Jesus and the lame man who had been healed. They look excited and joyful standing under a column beside the pool.**

Application Activity:

*Supplies: Appendix pages for each child, papers from small group warm-up, scissors, glue or tape, pens, pencils*

Pass out the light colored paper and have kids follow the directions for cutting the cross. (For younger kids, demonstrate this.) After cutting and unfolding the paper, ask them what shape they just cut out. Have kids glue the cross in the center of their dark color paper even if it covers some of the written words. Then say:

**This cross reminds us that Jesus was broken for our sins and for our problems. Because Jesus gave his life for us on the cross, he paid the price for our sin. Because of his great love for us, he gives us forgiveness and accepts us just as we are. Jesus showed his great power in dying for us, but also by coming alive. Through his love and power, he gives us healing on the inside, even if we are hurt in our spirit.**

Next, pass out the medium-colored paper and have kids fold and cut it. Have them glue it to the dark colored page, flipping the cut page over so that no directions are showing. While kids are finishing their projects quote the key verse.

The key verse for today from Psalm 147:3 says, *“He is the healer of the brokenhearted. He is the one who bandages their wounds.”*  
*\*Jesus is God’s Son. He has the power to heal broken lives.*

Closing Prayer:

During this prayer time, let’s pray about a feeling that we have had that reminds us of being broken and ask for Jesus’ power in our life to heal us. Remember, *\*Jesus is God’s Son—Jesus heals broken lives.* Ask him to give you healing. You know that he can heal because he gave his life for us when he died on the cross and is now alive to live with us right now.

Encourage kids to pray for Jesus to heal the broken lives of people they know.

# **Large Group Presentation: 20-30 minutes**

## **Signs on Believers' Highway Series**

*The book of John points to miracles as signs and proof that Jesus is the Christ, the Son of God. The imagery of road construction signs will be used to exemplify the signs that Jesus performed as told in the book of John. The road worked on is referred to as "Believers' Highway" to show we are all on a journey in our faith.*

*The presenter is dressed in an orange construction vest, hat and work boots and holds a different road sign each week that is fitting with the Bible event. Another important prop is the simulated car set-up with two or four chairs facing the audience and a cardboard car front (See lesson 34). Shepherds and children are both involved as observers on the highway. They are called up to drive the car and answer questions, give feedback and interact with or about the event.*

*This series uses "The Gospel of John" DVD series as a visual to show the events of the Bible.*

*Supplies: orange construction vest, construction hat, and work boots, sign on a stick copied front-to-back printed with, "The man couldn't walk but Jesus didn't turn aside." On back it says "Remember! He's God's Son. He \_\_\_\_\_ (heals) broken \_\_\_\_\_ (lives)", two or four chairs, cardboard car front, spray bottle of water or squirt gun*

## **Gordy Goes for Broke Puppet Presentation**

The presenter enters wearing an orange construction vest, hat and work boots.

**Presenter: Shall we call Gordy?**

*Kids call for Gordy: Gordy, Gordy, Gordy.*

Gordy comes out with a bandage wrapped around his head.

**Presenter: Gordy, are you hurt?**

Gordy: What does it look like?

**Presenter: Yes, it looks like you're hurt.**

Gordy: I should say so.

**Presenter: What happened?**

Gordy: Gerdy, hit me and there's a three-inch cut across my forehead.

**Presenter: I'm sorry. That sounds terrible.**

Gordy: Well it was. She's crazy. Yesterday, she took the chair from her room and threw it and cut my head right open.

**Presenter: Ouch!**

Gordy: Yeah. I had to have 146 stiches.

**Presenter: A 146 stiches? That's a lot.**

Gordy: The doctor says it would leave a nine inch scar.

**Presenter: But you just said it was a three inch cut.**

Gordy: Well, I meant nine. What else would you expect from someone who throws a table at you.

**Presenter: I thought you said she threw a chair.**

Gordy: No, it was a table.

**Presenter: Something doesn't sound right here.**

Gordy: Yeah, it's Gerdy. She's crazy.

Begin taking bandage off Gordy's head as he objects.

**Presenter: Gordy, let me have a look at that....**

Gordy: Hey! Wait a minute. I'm injured. Can't you tell?

**Presenter: Gordy! There's no cut here. What's up with this?**

Gordy: Well, maybe she missed. But I could have been injured.

**Presenter: Gordy, tell me the truth. What happened?**

Gordy: I'm sorry. I just got carried away with my story.

**Presenter: Tell me what happened.**

Gordy: Gerdy and I got into a fight yesterday. We were arguing about something and I called her a name.

**Presenter: A bad name?**

Gordy: I won't repeat it.

**Presenter: And then what?**

Gordy: She told on me and I got in trouble.

**Presenter: So why did you fake the head injury and put on this bandage?**

Gordy: I thought I might get back at her if people here at church thought she did something mean to me.

**Presenter: It didn't help, did it?**

Gordy: No.

**Presenter: Doing a wrong thing never helps. Especially when we are trying to fix another wrong thing.**

Gordy: I know. I'm so embarrassed. I feel twice as bad now.

**Presenter: Maybe it feels like you are broken on the inside.**

Gordy: Yeah. I feel like I'm broken on the inside. We were talking about that in small group today.

**Presenter: Gordy, watch today's Bible event. In it we will discover Jesus fixes broken lives.**

Gordy: What happens?

**Presenter: Remember, we are looking for signs along Believers Highway that show Jesus is the Son of God. Sometimes he heals people to show he is the Son of God. And, Jesus doesn't just heal us on the outside, but on the inside, too.**

**Gordy, why don't you do this. Every time you hear the word Son in this video, tap your knee lightly with your hand. Maybe doing this will help us listen for how Jesus shows he is God's Son and explains it. Kids, you do it, too. Let's roll the video.**

## Video

Show *The Gospel of John* DVD, produced by Visual Bible International, 2003. Show the clip covering John 5:1-47. Begin just after narrator says, "So he and all his family believed. This was the second miracle..." and end it just after narrator says, "If you don't believe what Moses wrote, how will you ever believe what I say?"

## Signs Along Believers' Highway

John 5:1-47

The presenter holds the sign, careful to show only the front for now until the back is needed for the game.

**Presenter: I need two volunteers to come up and get in the car and get ready to drive.**

Have them come up onstage and arrange them so that kids are in front driving and the shepherd is in the back.

**On "Believers' Highway," kids can drive just as well as adults because we are all growing in our spiritual journey, learning to trust Jesus the Messiah, the Son of God. So buckle your seat belts, and let's go for a ride!**

**Are you ready to figure out the missing words on the back of the sign? The front of the sign says, "The man couldn't walk but Jesus did not turn aside." The back says, "Remember! He's God's Son. He \_\_\_\_\_ (heals) broken \_\_\_\_\_ (lives)."**

Allow for a few guesses, then say:

**Last week I thought the questions were too easy. Today I'm making them extra hard. I'm going to see how well you listened for certain details in the Bible event. If you get the question right, you will get to squirt the audience. But, if you miss, I get to squirt you!**

- 1. What was the name of the pool the man was lying next to?  
(Bethesda.)**
- 2. People would lie by the pool because they believed they could be healed if they were put into the water after the angels stirred the water. But this man had no one to help him get into the pool. He must have felt all alone. How many years did the man lie there?  
(Thirty-eight years.)**

3. **Jesus just spoke to him to heal him. He told him to get up and walk. He was also told to pick up something. What was he supposed to pick up? (*His mat.*)**
4. **On what special day did Jesus heal the man? (*The Sabbath day.*)**

Dismiss volunteers to return to their seats.

## **Gordy Goes for Broke**

### Puppet Conclusion

**Presenter: What did you think about the Bible event, Gordy?**

Gordy: Wow. That would be terrible to lie there for 38 years.

**Presenter: Yes. He must have really felt broken because he couldn't walk. But he also might have felt broken on the inside.**

Gordy: How's that?

**Presenter: I think he felt sorry for himself and discouraged because he had no one to help him.**

Gordy: But Jesus did.

**Presenter: You're right. That's what the man discovered. That's what we can discover, too.**

Gordy: I know that Jesus can help.

**Presenter: Do you know how he can fix your brokenness inside?**

Gordy: Well, he is God's Son isn't he?

**Presenter: Yes. But he is God's Son who came into the world to be broken for our sin. For all the wrong things we have done, he went to the cross. The Bible even says he was broken for our sins. In Isaiah 53:5 it says, "*He was wounded for our rebellious acts. He was crushed for our sins. He was punished so that we could have peace, and we received healing from his wounds.*"**

Gordy: Does that mean he was broken for me trying to get back at my sister?

**Presenter: That's right. He forgives you when you come and tell him about your sins. He lifts away that sin in your life so it doesn't**

**have power over you anymore. He also heals you from things that can be broken on the outside just like he healed the man at the pool so he could walk again.**

Gordy: Wow. He really is God's Son, isn't he?

**Presenter: He sure is. Why don't you pray and thank him for that.**

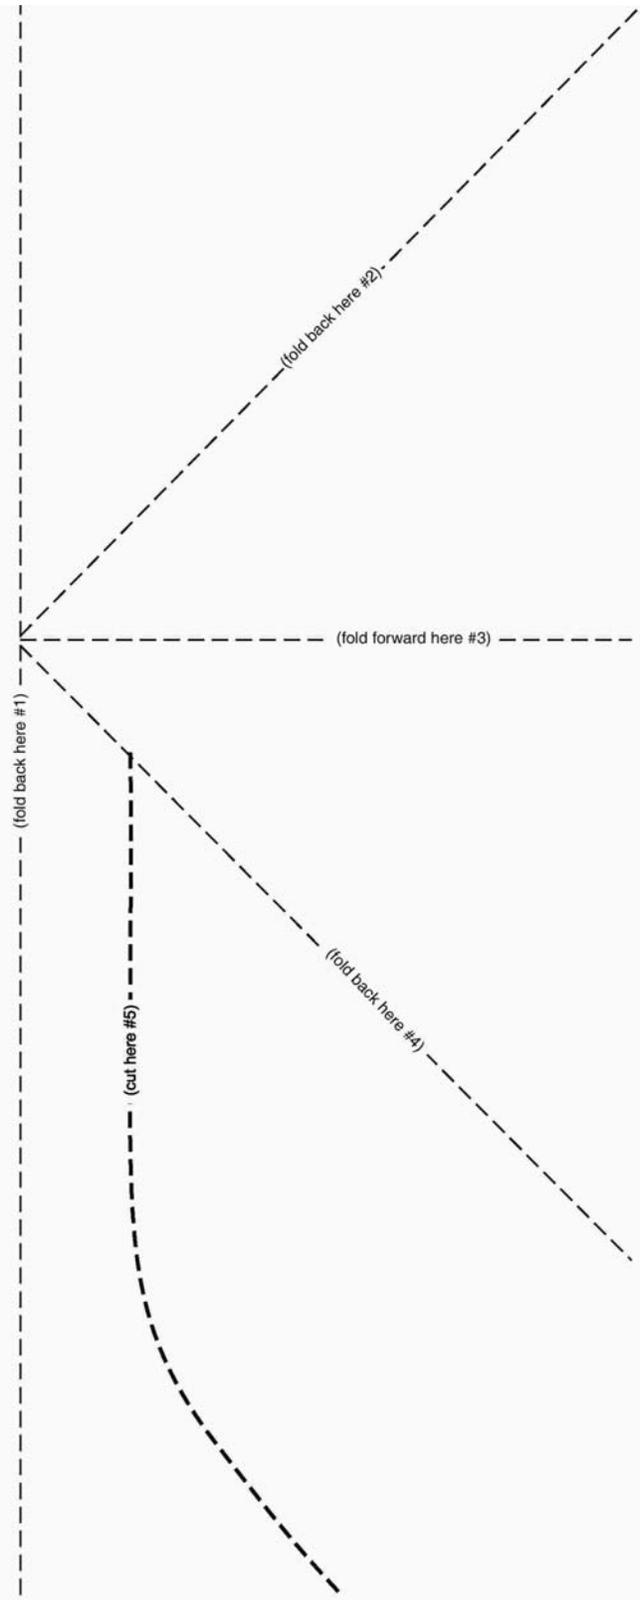

Gordy: Okay. Dear God, thank you for Jesus. He really is God's Son and he showed it by doing a great sign that helped a man walk who was lame for 38 years. That's a long time. Sometimes we feel broken. Help us on the inside when we feel broken and also if we have a broken head or something from a sister throwing a table at us. Help that get better, too. In Jesus' name, Amen.
