Series: Special Lesson
Winter Year 2, Lesson 33

No Worries in a New Year

Take Home Point: *Take off your “worry warts” and put on your “kingdom vision.” *Repeat this phrase throughout the lesson.

Bible Event: Matthew 6:25-34; Jeremiah 29:11

Key Verse: Jeremiah 29:11, “I know the plans that I have for you, declares the Lord. They are plans for peace and not disaster, plans to give you a future filled with hope.”

We will help kids know:

- Worry is about being afraid of something bad happening in the future. Jesus tells us not to worry.
- Instead of worrying about the future, Jesus invites us to look for what God wants to do in our lives right now.
- We can be confident of the future because we can trust God in the present, moment by moment.

We will help kids feel:

- Confidence in the promises of God for the present and the future.
- Excitement as they think about their prospects for the New Year.

We will help kids do:

- Identify worries in their lives.
- Identify ways God is working in their lives and providing for their needs.
- Decorate one another with “worry warts” using icing and then wiping them away when glasses are put on to help see what God is doing right now.

Small Group Warm-Up: 15 minutes

Purpose: Get pointed in the right direction! Build relationships and help guests feel at ease. Do the learning readiness activity that will point your group in the right direction for the lesson.

As kids gather: Listen to memory verses from last week and give coupons for memory verses, remembering to bring your Bible, and bringing a guest.

Supplies: Bowl with $\frac{1}{4}$ cup of icing (any color), graham crackers, napkins, cotton swab sticks (enough for one time only use), small portable mirror

Take a look at the skin on your hands, arms, legs and face. You may borrow this mirror if you'd like. Do you see any warts there? No? I bet our group can find some on you.

Today we're going to collect "worry warts."

How would you define "worry?" (It means that you're afraid of something bad happening in the future. You feel unsettled inside and your mind thinks about how much you don't want it to happen.)

Think about something you worry about either right now, or something you have worried about in the past.

Let one minute pass for quiet reflection.

When you have identified your worry, I want you to share it with our group. After you've shared, you get to take this cotton swab and dab it in this frosting and make a mark on your hand or, if you want, on your face. We will call this a "worry wart." Let's see how many worry warts we have on us today.

Let everyone share his/her greatest worry and apply one "worry wart."

After every student has had a turn, we will pass the icing bowl around the group again and see how many you can identify in your second turn. Each time someone shares a worry, he/she can make a frosting mark (worry wart) on his/her skin.

Does anyone have any worries when they think about the coming New Year?

What do you think most kids your age worry about?

Things we worry about give us “worry warts.” When we stay focused on what God is doing here and now, we have “kingdom vision” and it helps us not worry about tomorrow. Today we will learn to **take off “worry warts” and put on “kingdom vision.”*

Tell kids they will go to large group wearing their “worry warts.” They will come off later.

Large Group Overview: 20-30 minutes

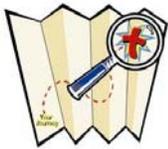

Purpose: *Help kids observe what the Bible says. Present the Bible event in creative fashion. Help kids begin to interpret what it means.*

Video Clip: *Wizard of Oz* – Dorothy meets the Cowardly Lion and invites him to join her and her other new friends to find the all-powerful Wizard of Oz and get him some courage to face his fears and worries.

Game: “Name That Worry” – As verses from Matthew 6:25-34 are read, the audience will answer related questions about the verses. For each correct answer, a volunteer artist will decorate the face of a volunteer subject with “Worry Warts.”

Teaching Point: Because God is with us right now, he will certainly take care of us in the future. There is no need to fill our thoughts with worry, but rather with thoughts of the good things God is doing in our lives.

Small Group Application: 20-25 minutes

Purpose: *Help kids map out the meaning of the Bible event in their lives. Use the questions to stimulate discussion, but don't feel tied to them. Allow the Holy Spirit to guide you. Include personal examples from your own faith journey. The example of Christ at work in your life will leave lasting impressions of how Christ can work in the children's lives.*

Use your Bibles! Children need to learn how to look up references and follow along when scripture is read aloud. Allow for quality time of prayer at the close of the lesson.

Observation Questions: What happened?/Interpretation Questions: What does this mean?

Have kids take turns reading out loud the Bible passage from Matthew 6:25-34.

According to verse 25, there is more to life than worrying about what? (What we eat, drink, or what we wear.)

How do the birds get fed? (*Verse 26. God provides.*)

How well does God clothe the flowers? (*Verse 29. More splendidly than Solomon, the richest king, in all his majesty.*)

Why do you think Jesus made a comparison with our needs and those of the birds and flowers? (*The birds and flowers are God's creation. They go about doing what God made them to do without worrying, because God provides. Even though the birds and flowers are also God's creation, we are even more important to him because we are created in his image and because he sent his Son to die for us.)*

According to verse 32, what does God know about us? (*He knows our every need.*)

What do you think Jesus meant in saying, "So don't ever worry about tomorrow...Each day has enough trouble of its own." (*We should not worry about the future but live for what God wants us to do day by day.*)

Application Questions: What does this mean to me?

We do not have to worry about our needs. Instead, what should we be concerned about? Or what should be our priorities? (*We should seek first God's kingdom or his ways. We should be concerned about what is important to God.*)

What are examples of seeking God's kingdom or being concerned about God's priorities? (*Doing what God made us to do: worship him, pray for another's salvation, witness to others, etc.*)

God wants us to be concerned about eternal matters or things that make a difference for his kingdom rather than things like "grass that is alive today and tomorrow is thrown into the incinerator."

Application Activity:

Supplies: wet towels or wet paper towels for clean up, novelty glasses with the New Year number outlining the lenses or pattern of glasses (see appendix) for each kid, scissors, markers, glue, and shiny bits for decoration to make glasses), graham crackers, napkins, icing, and blunt knife for spreading icing

Make glasses from appendix as a craft project or pass out pre-purchased novelty glasses.

Give kids a wet towel to wipe off their “worry warts.” As they do this, state the Take Home Point: ****Take off your “Worry Warts” and put on your “Kingdom Vision.”***

Have kids put on their new glasses.

Right now God is blessing you and providing for your needs. The “Kingdom Vision” glasses you now have are meant to help you see the good things that God is doing in your life.

Pass out graham crackers, napkins, and icing for a snack while discussing the following:

What are things you worried about in the past, but today can see that they ended up okay? Or how is God providing for your needs right now?

Unlike the Wizard of Oz who was only a man but gave the cowardly lion something to believe in, the one true, living God gives us his solemn promises. And, because he is perfect, he can never go against his word.

Our key verse today from Jeremiah 29:11 says, “*I know the plans that I have for you, declares the Lord. They are plans for peace and not disaster, plans to give you a future filled with hope.*”

You can also use your glasses to look and see how God will be with you in the future. You can have confidence about how God will work in your life. He will always be with you to help you **take off your “worry warts” and put on your “kingdom vision.”*

Closing prayer:

Thank God that we are created in his own image and that he loved us so much, he sent his Son to die for us. Thank him that he keeps his promises to provide for our every need. Thank him that he has a future of hope planned for each one of us. Encourage kids to pray for God to help them release any worries they may have to him and ask for the Holy Spirit to give them a greater measure of trust in God’s promises.

Safety and Security: Safety and security procedures are important for each church to carefully define and implement according to their unique needs. The security, safety, illness and accident procedures described in this curriculum are provided for example purposes only and may not be appropriate, applicable or adequate for every situation. Each church is responsible for determining whether any security, safety, illness and accident procedures contained in the curriculum are appropriate, applicable or adequate for its unique situation. The activities described in this curriculum require adult supervision and may not be suitable for each child and each situation. Each church is responsible for ensuring that adequate adult supervision is provided for all activities and for determining whether an activity is appropriate for each child and each situation. Kids Kount Publishing disclaims all liability for the implementation of any procedures or the performance of any activities described in this curriculum.

When you think about the New Year coming up, do you feel excited about some of the opportunities you might have to do special things? Hopefully, everyone has something to be excited about and look forward to.

But, sometimes people find themselves worried about something that might happen in the future. Worry is being afraid of what may happen in the future. Many times we can't control what will happen in the future, so we worry about it instead. Today we will talk about our worries and how to get rid of them. Let's take a look at a movie clip featuring a character that is afraid of something that caused his life to be filled with worry.

Show the video clip from the film, *The Wizard of Oz*, produced by Turner Entertainment Co., 1935, ISBN # 0-7907-4517. Rent from your local video store or order from: <http://www.amazon.com/gp/product/B00000JS62/002-4057945-1179217?v=glance&n=130&v=glance>.

The clip begins at 53:00 when Dorothy meets the Cowardly Lion, and ends after the lion, Dorothy, Tin Man, and Scarecrow dance their way to meet the Wizard of Oz.

After the video say:

In the *Wizard of Oz*, what was the Lion afraid of? That's right, almost everything. Because of fear, he was worried about the future.

His cowardice changed dramatically after the All-powerful Oz (who turned out to be just a man) pinned the medal of courage on him. His attitude changed when he had something in which to believe.

How does this help us face our fears and worries? Well, we can believe that the Almighty God of the Universe loved us enough to send his Son to die for us. Because he loves us so, he promises he will never leave us or forsake us. We can trust God to keep his promises because he can't go against his word.

Game: Name That Worry

Today we will have a contest to (refer to sign) "Name That Worry!"

Note: You may want to pre-select the volunteers for this game since it will require a certain level of maturity, both on the part of the artist and the subject who gets decorated.

Select two volunteers. Have the artist put on the hat or painter pants. Hand him/her the palette or bowl of frosting and paintbrush or cotton swab. Have the subject volunteer put on protective clothing. Then continue with:

I am going to read a verse from the Bible, and it will be your job to listen carefully to the words in it. Then I will ask you, the audience, a question about the verse. If I hear someone from the audience "Name that Worry" correctly, then, the artist volunteer gets to decorate my subject, an official good sport, with one "Worry Wart," on his/her face, after each correct answer.

Hum, now I'm only missing one very important game piece. Oh, yes. I need a volunteer who likes to read out loud.

Select a volunteer to read. As he/she comes up onto the stage, hand the reader a Bible opened to the verse below. Be sure the stopping points for audience participation are marked. Check the reader for understanding.

Now, let's play, "Name that Worry!" Audience, listen carefully to these verses from the book of Matthew where Jesus' is teaching from his Sermon on the Mount.

He says in Matthew 6:25, "*So I tell you to stop worrying about what you will eat, drink, or wear.*"

Audience, what three things did Jesus warn the people not to worry about? (*What they would eat, drink, or wear.*)

Artist decorates the subject's face with one "Worry Wart" for each item. Reader continues reading where he/she stopped.

"Isn't life more than food and the body more than clothes? Look at the birds. They don't plant, harvest or gather the harvest into barns. Yet your heavenly Father feeds them. Aren't you worth more than they? (Matthew 6:26.)

Audience, do birds worry about eating? (*No.*)

Artist decorates the subject's face with one "Worry Wart."
Reader continues with verse 27.

"Can any of you add a single hour to your life by worrying?"

Can any of you add an extra hour to your life when you worry more? (*No.*)

Artist decorates the subject's face with one "Worry Wart."
Reader continues reading:

"And why worry about clothes? Notice how the flowers grow in the field... But I say that not even Solomon in all his majesty was dressed like one of these flowers. That's the way God clothes the grass in the field. Today it's alive, and tomorrow it's thrown into an incinerator. So how much more will he clothe you people who have so little faith? (Matthew 6:28-30.)

Do flowers worry about looking nice? (*No.*)

Artist decorates the subject's face with one "Worry Wart."

Jesus continues his sermon by saying, "Don't ever worry and say, 'What are we going to eat?' or, 'What are we going to drink?' or 'What are we going to wear?'" (Matthew 6:31.)

So, what does Jesus say you should never be worried about? (What are we going to eat, drink, or wear.)

Artist decorates the subject's face with one "Worry Wart" for each item. Reader continues.

"Everyone is concerned about these things and your heavenly Father certainly knows you need all of them." (Matthew 6:32.)

Does your heavenly Father care for you? (Yes.)

Does he know you need these things? (Yes.)

Will he make sure you have what you need? (Yes.)

So, we are not to think about what bad things might happen in the future. That is called worrying.

Artist decorates the subject's face with one "Worry Wart."

Instead, we must do this.

Presenter continues reading scripture.

Matthew 6:33 says, "But first, be concerned about his kingdom..."

What should we be concerned about first? (His kingdom.)

"...be concerned about his kingdom and what has his approval. Then all these things will be provided for you."

What also should we be concerned about? (What has his approval.)

So, if you're concerned about his kingdom and what has his approval, what happens to all these other things? (Then all other things will be provided for you.)

"So don't ever worry about tomorrow. After all, tomorrow will worry about itself. Each day has enough trouble of its own." (Matthew 6:34.)

This next question requires you to fill in the blank. Here it is. Don't worry about _____ . (Tomorrow.)

Artist decorates the subject's face with one "Worry Wart." Have volunteer reader return to his/her seat.

Teaching Point:

Look at our subject volunteer. He/she has "Worry Warts" all over!

Hand the subject a mirror to see how he/she looks. Possibly take a picture to add effect.

The Bible tells us many people worry about physical or material needs. This means they worry about things like getting enough food to eat or what to wear. What do you think many 5th and 6th graders worry about today?

As I call on audience members who have raised hands, our expert artist here will continue decorating the subject with one "Worry Wart" for each of the 5th and 6th grade worries discussed. Now, you don't have to only suggest worries that you have. You can also share some of the worries that your friends might have.

Take five or six suggestions, and by now, the subject is getting a well-decorated face.

Instead of so much worry, let's see what God would rather have us do. Instead of worrying about the future, he says this in Jeremiah 29:11, "*I know the plans that I have for you, declares the Lord. They are plans for peace and not disaster, plans to give you a future filled with hope.*"

Put on glasses.

These glasses will represent the year _____ (*insert the upcoming year*).

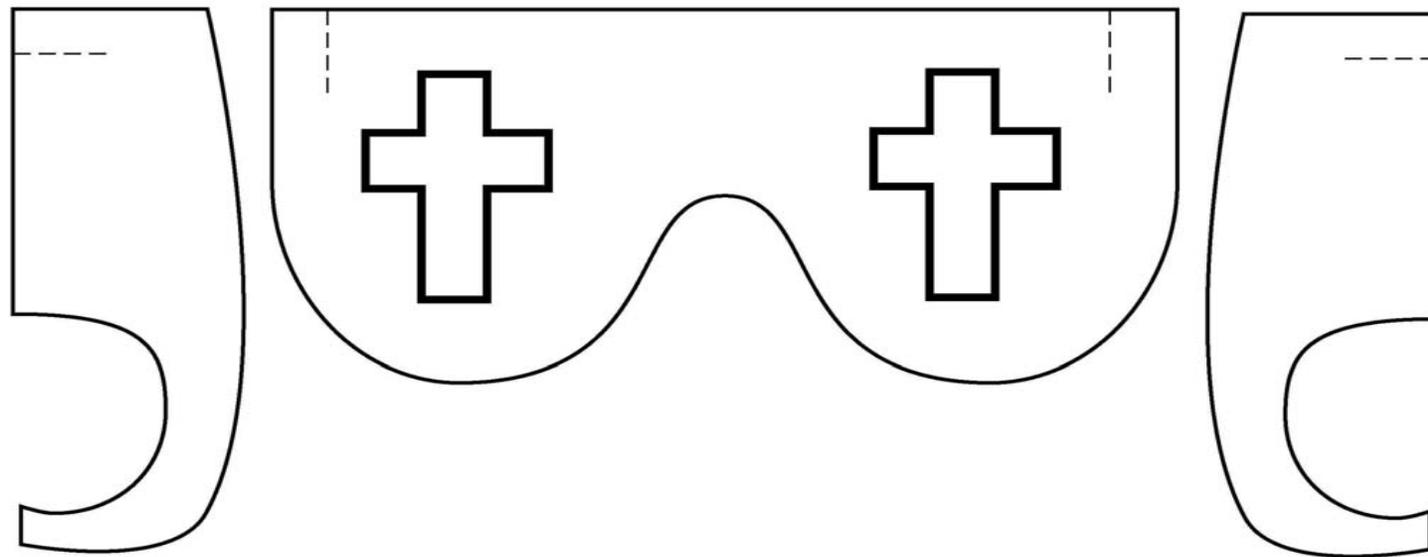

When we look through these glasses and think of all the exciting things to come in the future, rather than worrying about the things that might go badly, we can look to see what God is doing right now. We can see his kingdom working in our lives in every circumstance. Because he is with us right now, he will certainly take care of us in the future.

I have one last, very important question. What is the one thing that God does for us right now that gives us the gift of forgiveness and life forever with him? It's the gift of his Son, Jesus. Because of Jesus, we are assured of life with God forever, now and throughout the year.

Prayer:

Heavenly Father, we realize that there is nothing good that can come to us from worrying about bad things happening in this brand New Year and in the future. When we think of things we have worried about in the past, we are able to see that those things worked out for good whether or not we worried about them. Help us to place our trust in you and have faith that in all things, you are the great provider and will give us exactly what we need. When we find ourselves starting to worry about things, place in our minds thoughts of you instead. Help us take off our “Worry Warts” and put on “Kingdom Vision” as a reminder of your gift of Jesus to us. That in all things and in all places, our sins are forgiven, and in that knowledge, help us find our peace. In Jesus’ name, we pray. Amen.
