

God Talk At Home

This Week's Kingdom Quest Lesson:

The King Is a King

Take Home Point:

Jesus is the King and has power to help you.

Drive Time Home

Tickler Question: Who gave Jesus authority and made him king? (*God*) What kingdom is Jesus the king? (*The kingdom of God*)

God Time at Home

Select questions and adapt for your family.

FOR STARTERS: Show how much power there is in a finger. With one finger a child can keep an adult in his chair. Have a parent sit in a straight-backed chair and keep his chin level. Ask him to fold his arms. Now the child will stand directly in front of the seated adult and press his index finger against the adult's forehead. If the adult keeps his back straight, he will not be able to stand. Afterwards ask, "How much power do you think God has in his finger? What would you like him to do for you?"

READ THE BIBLE: Matthew 7:28-8:17. Jesus had the power and authority to heal.

KEY VERSE: John 17:2 *"After all, you've (God has) given him (Jesus) authority over all humanity so that he can give eternal life to all those you (God) gave to him."*

TALK ABOUT IT: Whom did Jesus heal? (*Everyone who was a subject of the King from the social outcast like the leper, to the Roman officer who was the enemy of the Jews, to Peter's mother-in-law, one of his dear friends.*) How did Jesus heal them? (*Sometimes with touch, sometimes with no touch, or he just spoke.*) Why did Jesus heal them? (*Because of his great love for his people.*)

Jesus has the power to do whatever it takes in your life. What are some of the things that you need Jesus to do for you?

PRAYER POWER: Pray that all would trust that Jesus has the power to take care of any difficulty. Pray for difficulties anyone may be experiencing.

Family Time Option

One day this week, try...

When the family is together, give them a test. Have them draw for names so that each person has someone else's name. Then ask each person *one* of the following questions. (The answers will tell how well the family members know certain details about others.)

- Close your eyes and describe what your person is wearing.
- Tell what your person's favorite food is.
- Tell about a time your person got lost.
- Tell what is your person's favorite movie.

Then ask, "It is God who knows you best. What do you think he would say is your greatest need?"
