# God Talk At Home

**This Week's Kingdom Quest Lesson:**

God Always Wins

**Take Home Point:**

God always wins.

## Drive Time Home

Tickler Question: What do the ten plagues of Egypt represent? (*The false gods of Egypt.*) By sending the plagues, what did God show? (*That God always wins.*)

## God Time at Home

*Select questions and adapt for your family.*

**FOR STARTERS:** Invite everyone to find one object that demonstrates something he has won. This might be a trophy, a diploma, a ball, or any object that reminds that person of a way in which he has accomplished something significant. Have everyone tell about his victory and how it made him feel. For this God Talk, we will emphasize that God always wins. However, we can choose if we want to be on God's side or if we want to refuse him and be hard-hearted like Pharaoh.

**READ THE BIBLE:** From a story Bible read about the 10 plagues God sent to Egypt as found in Exodus 7-11.

**KEY VERSE:** Revelation 17:14: *"The lamb (Jesus) will conquer them because he is Lord of lords and King of kings."*

**TALK ABOUT IT:** Name as many of the 10 plagues as you can. Read Exodus 12:12. God speaks of his plagues on Egypt as punishing their gods. Many things can take the place of God in our lives. Our false gods do not go by the name of "gods," but anything we make more important than God is an idol. What are some things we are tempted to make more important than God? (*Money, fun, being popular, other people, etc.*)

In this Bible event we see how Pharaoh had a hard heart or was stubborn and would not listen to God. What are things we do that show we are stubborn and do not want to follow God completely? In this Bible event the power of Egypt was broken and the gods of Egypt were discredited, and our God was shown to be the only true God. God always wins. Who does the Bible say is Lord of lords and King of kings? Whose side do you want to be on?

**PRAYER POWER:** Praise God that he is Lord of lords and King of kings and is victorious over evil! Ask him to show where your heart may be hard or resistant toward him and ask for the Holy

Spirit to give you a softened heart. Tell him that you don't want to stubbornly hold on to your own plans instead of his.

## **Family Time Option**

*One day this week, try...*

Boil an egg as you talk about being hard-hearted. Place it in a jar of vinegar and set it in a place where all can see. You might even taste the vinegar. Yuck! If we refuse God's love and live sour and "yucky" lives, our hearts will harden more and more toward God. After three days, remove the egg. See how it is hardened into a rubbery egg. It's not good for eating anymore...only for bouncing! (*Watch out, it will still break when bounced too hard!*)
