

God Talk At Home

This Week's Kingdom Quest Lesson:
Mother's Day—Timothy's Mother and Grandmother

Take Home Point:
Thank you, God, for moms who link us to Jesus.

Drive Time Home

Tickler Question: Tell me some of the things you were thankful for when you played the paper clip game "Love Links." (*Kids numbered the things they were thankful for about their mom.*)

Select questions and adapt for your family.

God Time at Home

FOR STARTERS: Let every family member share a "favorite thing" about his or her mom. If a person doesn't have anything to share about their mom, let them choose another parent figure. Say: "One of the most important things a mom or a parent can pass down to their children is learning how much God loves them. Let's talk about that."

READ THE BIBLE: Acts 16:1-2; 2 Timothy 1:5

KEY VERSE: Psalm 145:4, "One generation will praise your deeds to the next. Each generation will talk about your mighty acts."

TALK ABOUT IT: According to 2 Timothy 1:5, where did Timothy learn about Jesus? (*His grandmother, Lois, and his mother, Eunice.*) How did his mother's faith make a difference in Timothy's life? (*Eunice passed her beliefs on to Timothy. Timothy was saved and told many others about Jesus.*)

Do you think it is important for you to link God's love to your children and their children? Why? How can you show your appreciation to your parents or a loved one who thinks it is important for you to know, love, and follow Jesus? How do you think this appreciation will make them feel?

PRAYER POWER: Thank God for Jesus' love that links us together. Pray **Thank you, God, for moms who link us to Jesus.*

Family Time Option

One day this week, try...

Have each family member think of a secret way that they can show appreciation for their mom or the special parent figure in their life.
