Instructions for making the small group application puzzle pieces:

Take several pieces of cardstock. Lay them on a table or floor and make them look like a church. Take a stack of pre-cut circles and place them randomly along the inner edges of each puzzle piece and tape. Using these circles as patterns, cut the half circle out of its neighboring piece, creating the look of a jigsaw puzzle. Place numbers on the back of each puzzle piece. Mix up the pieces and have them available for the application activity. Also make a cross out of the cardstock.

“Lord, give me fruit of the Spirit.”
