### **FAMILY DEVOTIONS: Read the Bible Event or Bible Verse**

David dancing for joy before the lord from an early reading Bible, or read and summarize the event from 2 Samuel 6:11-15.

### **JESUS LINK:**

Because Jesus sent us his Spirit, God is always with us. Therefore, we want to worship God.

### **TALK ABOUT IT:**

- What does God give you that makes you happy?
- What good things has God done for you?
- How can we praise God?

### **PRAYER POWER:**

Pray to God and tell him why you think he is wonderful. You might say that he is loving, he is the Creator, or he always forgives.

### **FAMILY TIME OPTIONS:**

Hunt through your house for homemade noisemakers. Paper towel tubes to toot, pots and pans to bang, and lids to hit together. Make a praise band or have a praise parade. You might want to play a favorite praise CD or tape, or sing a favorite Christian Jesus song. If you don't have any praise music, you can shout cheers to God such as "Praise the Lord!" and "God is great!"
