

# God Talk at Home

**Ages 4-5-K**

## **This Week's Lesson:**

Jesus Heals a Man Who is Paralyzed

## **Take Home Point:**

(Parents Say) When someone is sick,

(Kids Say) I ask Jesus to help.

### **DRIVE TIME HOME**

#### **PARENTS, ASK ME WHAT I DID TODAY IN KINGDOM QUEST.**

- Acted out the Bible event of Jesus healing a man who was paralyzed.
- Made and ate a Bible character snack while reviewing the Bible event.
- Played a "Scooter Race" to practice the take home point and learn that Jesus loves us and heals us both inside and out and we can show our love for others by asking Jesus to heal them. We remember that sometimes Jesus heals people immediately and sometimes he will heal them when they get to heaven.

### **DRIVE TIME HOME**

#### **PARENTS, ASK ME WHAT I DID TODAY IN KIDS CHURCH.**

- Watched a video of Jesus healing a paralyzed man.
- Ate a graham cracker with a gummy bear on it to illustrate the paralyzed man lying on his mat.
- Decorated a mat made with craft sticks and material or paper. Our clothespin was the paralyzed man.

### **FAMILY DEVOTIONS: Read the Bible Event or Bible Verse**

Jesus Heals a Man Who is Paralyzed from an early reading Bible or read and summarize the event from Luke 5:17-26.

**JESUS LINK:** Jesus is the Healer. He knows what is best, so it is good to go to him for help.

### **TALK ABOUT IT:**

- In what two ways did Jesus heal the man who couldn't walk?
- Who do you know that needs Jesus' healing? Show that person Jesus' love by praying for him/her.
- How does Jesus heal people?

### **PRAYER POWER:**

Think of someone you care about who needs healing, either on the inside or on the outside, and ask Jesus to help that person.

### **FAMILY TIME OPTIONS:**

Walk around your neighborhood and pray for people that you know need healing. Commit to praying for those people on a regular basis.
