

# SUPPLY LIST

Fall - Year 3

Lessons: 15-27

**Stewardship Note:** Kids Kount Publishing recommends using a wide variety of resources with our lessons. This supply list is a guide. Our curriculum is meant to be adaptable, and this includes your selection of supplies. Feel free to substitute videos and crafts similar to the ones suggested. Check for items you may have on hand and adapt as needed. You may be able to use videos from your city library, video rental store, and members of your congregation or other churches.

If you are comfortable ordering over the Internet, new and used sources are available for videos and supplies at various prices.

Your ideas are a major resource in making this curriculum work for your children's ministry. You can help others by emailing your suggestions to [info@kidskountpublishing.com](mailto:info@kidskountpublishing.com).
